CLASSES

Finally we have reached it, the height of every student's ambition, we're seniors. Yes, it's just as exciting and glorious as our highest expectations. Looking back over our last year we could almost say it's been perfect, and certainly a climax to our school days that will be long remembered.

The class of '53 became official in October when we elected officers and representatives to plan the coming events. From that time on we worked as a unit, hoping to set traditions and examples that would distinguish our class, and leave us memories to be proud of.

When Spring rolled around, a normal life was forgotten as we were swept into a flurry of private parties and senior activities. Each occasion became dearer to us for we knew that it would be over soon. This was our last big fling together.

Commencement will soon be upon us, then high school will be only a part of the past. But we look to the future with inspiration as the sun sets on this day.

We will be up with the dawn tomorrow.

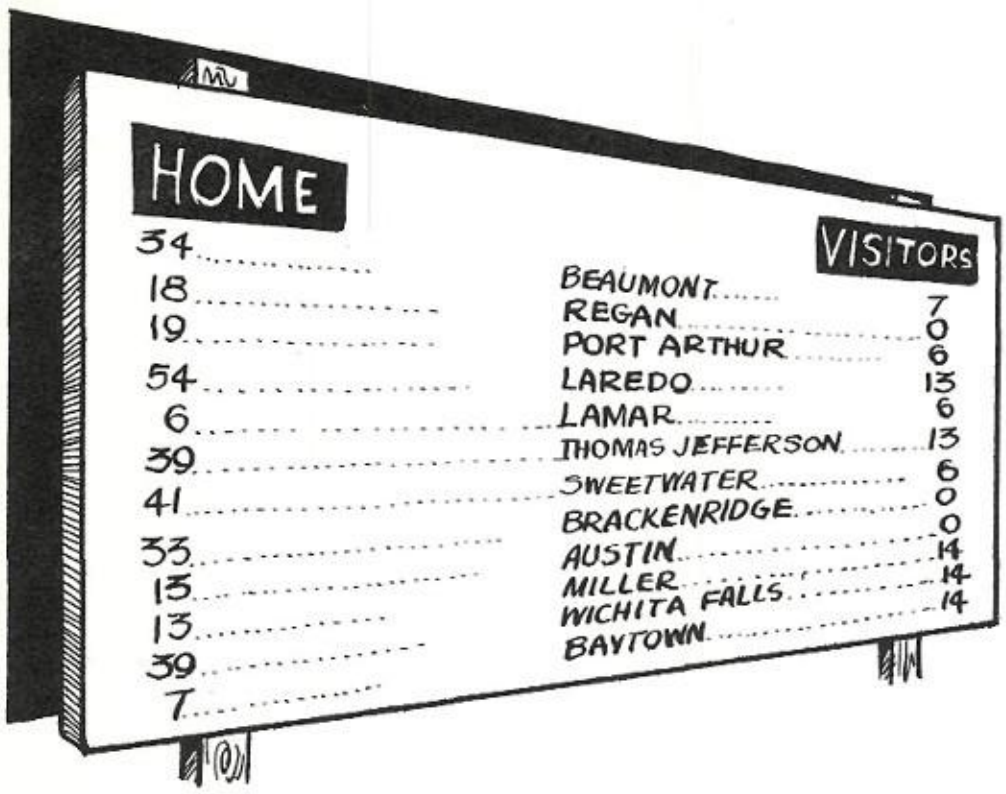
# FOOTBALL



Three years ago the W. B. Ray football team went on the field for the first time. They displayed an enthusiastic drive and will to win that earned them the name of *Fighting Texans*. This name has stayed with them, not only as a tradition, but because they have re-earned it every time they have gone on the gridiron. This year, with that fighting spirit stronger than ever, the Texans proved themselves to be one of the finest teams in the state.

Eight wins, a loss and a tie made up the regular season, but the boys wouldn't stop with that. They stomped Wichita Falls 39-13 and then faced Baytown, but luck bounced the wrong direction. A few breaks let the Ganders overcome this any-man's game, but the Texans fought to the last even in the face of defeat.

We are very proud of a great season and a great ball club, *The Fighting Texans.*

Behind every team there is a man devoting his full time and efforts to the improvement of that squad. He is constantly striving to produce the finest in athletes. He is the spark that creates the determination to win; is respected and admired by the students, faculty, and townspeople, and is an inspiration to every boy who works under him. He seeks no further reward. We give our grateful praise to this man, the coach.

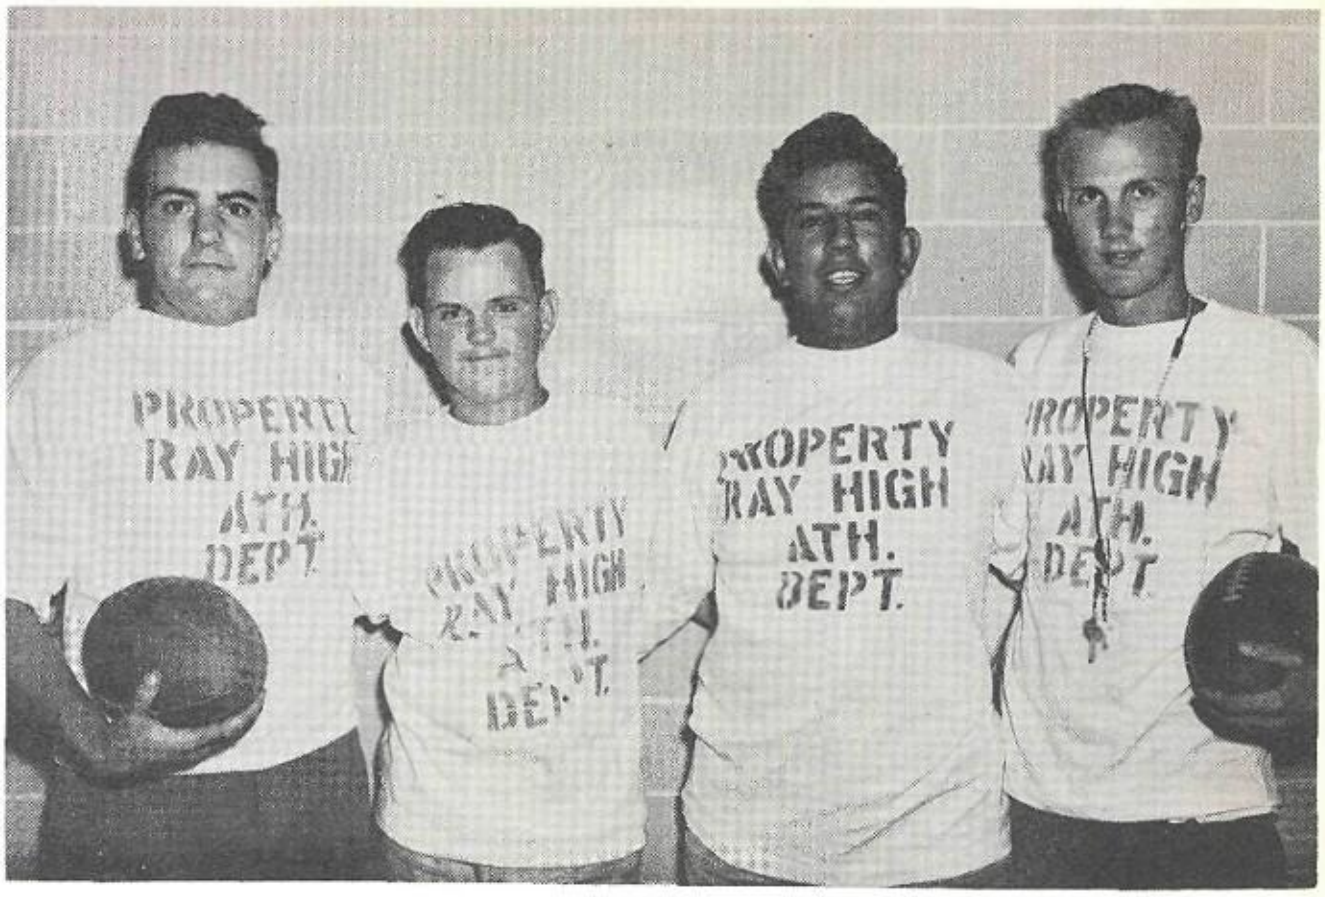
"Well yell, Texans yell" This was a familiar cry all this year at Ray, and the Texans yelled. The genuine spirit and enthusiasm radiated by our cheerleaders seem to catch fire among the students and turn them into a great cheering unit. We want to give the honor and credit that is due to those six hardworking people. They started working out early last summer, and since then they have put in many an hour of practice. The result was the finest cheerleading team ever. Their unique exhibitions of grace and uniformity thrilled every student. We extend our appreciation to this outstanding sextet for their aid in making this a year we'll never forget.

***THE FIGHTING TEXAN CHEERLEADERS***

*Cheerleaders pictured left to right:* Dale Dudley, Joyce Olsen, Barbara Sullivan, Barbara Steen, Betty Smith and Walter Davis.

Manager is a big word and a big job. These boys have put in as many hard hours behind the scenes as the rest of the team. They have served as "right hand" to every player and coach. The white coveralls have become as familiar to us as the candy striped outfits, and they have displayed the determination and teammanship that is characteristic of every Fighting Texan.



Manager Bud Behrend, Trainer Ronnie Hunt, and Managers Felix Salas and Jerry Campbell.

The third contributing group to a very successful sports year is the student body. Coach Stages named them the "Twelfth Man" and they have proved themselves to be just that. No matter what the score might be you will find them yelling to the last minute, many times standing up as if to better show that they are right behind the team all the way.

## *RAY'S MANPOWER SMASHES REAGAN 18-0*

A crowd of around 12,000 fans watched the Texans drag through a first half of lackluster, only to spring back with three touchdowns in the second. Twice Crisp went for touchdowns, one a two yard walk, and the other on a fifty yard sprint through right tackle. With three minutes left, Crisp slapped a pass to Ray on the ten, and the end went over to make the final touchdown.

## *TEXANS TRAMPLE BEAUMONT 34 – 7*

The Fighting Texans, defending district champions, opened their 1952 season by trouncing the "Greenies" of Beaumont by a score of 34-7. With Kanipe blasting over from the six and Allen adding a fine bit of running by scampering 43 yards for a TD, put the Texans soundly in front 13-0. In the second stanza Allen and Yanez added a TD apiece to give the Texans a 27-0 half-time lead. Morgan closed up shop for the Texans by scoring the fifth TD. Kanipe booted his fourth extra point in five trys to close out the scoring for the Texans. The out manned "Greenies" fought back and scored a fourth period TD and extra point.

## TEXANS SWAT YELLOWJACKETS 19-6

The Texans flashy offense came back in the second half to grind out a 19-6 victory over the Yellowjackets of Port Arthur. Ammuny, the Jackets triple threat back, made his teams only score by skirting his right end. In the second half the Texans stone-wall defense held the Jackets to a standstill. Meanwhile Ray's offense went to work. Crisp flipped a pass to the Texans All-State end Sonny Ray with Ray scoring on the play. Morgan helped the cause by scampering around his left end to score the Texans second marker. Late in the fourth period Crisp to Ray paid off again with a 30 yard pass. Kanipe converted his second extra point to pull the stinger out of the Jackets and leave them helpless. This victory proved the Texans had class to go "All the way".

## TEXANS SKIN TIGERS 54-13

The boys from Corpus left the Martin High Tigers of Laredo in a not too favorable condition by burying the Bengals in a landslide of touchdowns 54-13. The bench was cleared as everyone on the team romped and stomped up and down the Tigers home field with everyone scoring but the water boy. Morgan, Yanez, and Jones made it a miserable night for the Tigers by each scoring two TD's and personably accounting for 36 points. Nees and Boeye each added another marker to add insult to injury. Kanipe had a field day by adding 6 extra points. The Tigers pulled themselves together to score two TD's and an extra point to bring the exciting contest to a close. The Texans with their first district game under their belts looked forward to another championship year.

## LAMAR HANDS TEXANS CLOSE SHAVE IN 6-6 TIE

On a strange hunting ground the Texans slipped and stumbled and almost lost their wampum to the Lamar Redskins of Houston, as the Redmen held them to a 6-6 tie. The Texans pushed and shoved the "Skins" almost to the edge of their teepees but they couldn't beg, borrow or steal a touchdown. The lone score came as a result of a pass from Morgan to Yanez which put the ball on the one. Young ran over for the tally....Crisp plugging for the injured Kanipe missed the extra point. Frondron, the Redmens fleet Chief, took the kick off and raced 81 yards to the Texans 6. Spafford raced around the Texans left flank to score. The extra point was missed and the eratic game closed with both teams deadlocked.

## TEXANS MANGLE JEFFERSON 39-13

Touchdowns were coming and going to defeat Jeff 39-13. Two minutes after kickoff, Morgan drove over from the 20, Kanipe converted, only to set off another TD for Crisp from the 16. Kanipe missed his kick. Crisp passed to Ray for 12 yards and the final score of the half. Yanez made the fourth TD after a pitchout on the 34. Kanipe failed to convert. Allen, starting from the Jeff 17, skirted his own left end for a fifth score. Kanipe made the try. Jeff's Billy Dube tossed a scoring pass to Connie Orr on the 22 and he ran it over. Orr passed to End, Harry Jones for a touchdown with Jones converting. Ray's final touchdown was set up when Yanez ran to the 8 and lateraled to Young who drove to the three. Grant then scored to end the spree.

## *TEXANS TAME THE MUSTANGS*

The Texans blasted across seven TD's to turn Sweetwater sour to a tune of 41 to 6. The Texans made a 73 yard scoring drive with Morgan going over. Kanipe converted. Crisp passed to Ray for score number 2 and Kanipe did it again. Yanez took the ball again for the third score. After the half, Allen and Grant marked the score-cards to 28-0. The Mustangs pushed Joe Feagan over for Sweetwater's first TD. With time running out, Bowen intercepted a desperate pass and ran to paydirt. Kanipe climaxed the game with his fifth conversion of the game for a win of 41-6.

## *TEXANS CLIP EAGLES 33-0*

Getting off to an early start, the Texans made the Brackenridge Eagles victim No. 7. Fred Morgan circled left end for 35 yards and a score. The red hot Texans stayed hot when Yanez took a punt on the 35 and ran 65 yards to ring up a 25-0 score. The final Texan score was made on a pass from Crisp to Ray who galloped 65 yards for a TD. Kanipe converted for a final score of 33-0, with the Texans spinning the spurs.

## RAY SMACKS AUSTIN FOR DISTRICT WIN 13-0

The defending 6AAAA champions of 1951, the Ray Texans, proved history repeats itself as they ran up a score of 13-0 against the mighty Austin Maroons for the district title. Fumbles, incomplete passes, and hard tackles stopped the Texans until little Joey Allen exploded right tackle to the 23, a skillful run of 53 yards. Allen took a pitchout from Crisp and sauntered over for the first Texan score. Kanipe kicked to make it 7-0. John Ray took a pass from the all-state passer Crisp and ran it over all the way. The try for the extra point was not good, and the game ended with the Texans leading 13-0.

## TEXANS CAPSIZED BY BUCCANEERS

The Bucs showed that determination and the will to win make a winning team over a favored one by taking the Texans 14-13.

Sonny Ray put the Texans ahead during the half, but Quintallia made a TD and the Pirates kicked for a successful conversion. The Texans caught fire and the Crisp to Ray combination worked a second time for a 13-7 lead on the Bucs.

In the fourth Miller recovered a fumble on Ray's 16 and Quintallia passed. Hoffman, attempting to knock it down, deflected it to Castillo for a score. Applewhite kicked Miller's defeating point for a close 14-13 win.

## TEXANS GUNS RIDDLE COYOTES WITH 39-14 UPSET

After four of the best workouts in Ray history, the "Candy Kids" whammed out a 39-14 to a surprised crowd of over 20,000. Hoffman started dumping Ray's pay dirt with the return of a Coyote punt for 60 yards and the third score against Wichita Falls this season.

Morgan ran the score to 12-0 after Foerster recovered a fumble deep in enemy territory. Despite a broken collarbone, Kanipe converted. Young scored on a short sprint for a halftime score of 20-0. The half was over but Morgan had just begun. He made two more touchdowns one on a 57 yard sprint to ring up a 33-0 lead.

The Coyotes came out of their daze with Maroney and Reeves each scoring a touchdown. They put up a good fight but the Texans had blood in their eyes and showed it by marking up a final 39-14 victory.

## GANDERS SQUEEK BY TEXANS 14-7

The hunting season is over, all the shells are shot, and the weary Texans stand alone with only a handful of ruffled feathers. Once again the mighty Ganders of Baytown tripped the boys from Corpus by a score of 14-7. Time after time the Texans couldn't capitalize on good breaks. The Ganders started their mighty ground game with Ernst grinding out the first TD. Orton kicked making the score 7-0. Allan started off the second half right by plunging over for a Texan score. Kanipe added his bit with a successful kick, tieing up the score. Baytown's Orton completed a pass that put the Ganders ahead for a final 14-7.

It was with regret that we accepted Mrs. Hoppe's resignation at mid term. However, Mrs. Ida Mae Hubbard who replaced her has certainly helped the growth of our program.

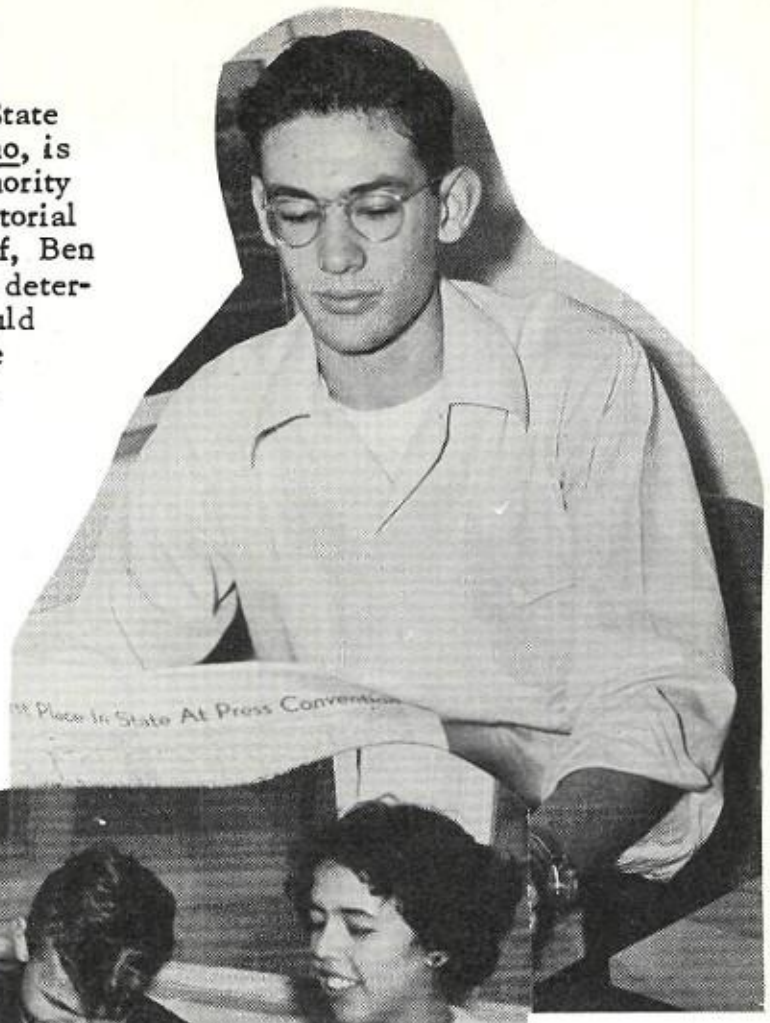
Despite a shortage of typewriters, each successful El Tejano reporter must get in his minimum of six stories for each issue.

In order to meet this stiff requirement many of the staff spend a lot of after school and night time writing their news stories, features, and editorials.

As one student said, "The work's too hard if all you want from the course is a grade."

The guiding hand behind State First Place Winner, El Tejano, is its sponsor but the real authority over the editorial and reportorial staff is the Editor-In-Chief, Ben McCallum. "Without the drive and determination that Ben displayed, we would not have had as good a paper as the 1952-53 El Tejano" Miss Van says. "The entire staff can share the credit for it as they have the long hours and griefs of production," she added.



Special honors go to first place winners Bobby Boeye, Ann Hawkins, Joyce Olsen, and repeat winner, Truett Barber.
